## PREFACE

This is but a brief genealogy of the NUNNALLY family of Virginia with emphasis on my own line which migrated to Alabama and Texas but with considerable data on the family that moved to Georgia. The period extends from 1640 to 1978, spanning twelve generations. I only give the names of about 500 descendants. If the progenitor and each descendant over the twelve generations had only two children each there would be a total of over 4,000 names. Increasing the number of children per descendant to three would raise the total of possible names to over 350,000. (This assumes no intermarriage of cousins.) Thus, there are many more unknown NUNNALLY descendants left out than are included.

I became interested in the genealogy of the NUNNALLY family several years ago through information supplied by my grandmother in Texas who was a NUNNALLY from Alabama. I was born in Texas but moved to Virginia after graduation from college and in my genealogy research I was surprised to find that my NUNNALLY line originated in Virginia. I have corresponded with many people with NUNNALLY ancestry who have been very helpful and I have included their families in this genealogy. Their names and addresses are given on a separate sheet at the end. In addition to the people on this sheet much credit should go to the genealogist Major Perkins NUNNALLY, deceased, of Pine Bluff, Arkansas through whose efforts much of the information was gathered and to genealogist Ann Waller REDDY, deceased, of Richmond, VA, who researched the Virginia Archives for Mr. NUNNALLY some years ago.

I would appreciate receiving any corrections or additions to this genealogy.

## INTRODUCTION

This genealogy of the NUNNALLY family begins with Richard NUNNALLY of Henrico County, VA who was born around 1640. It is not known for certain who his parents were or where he was born but he appears in the Henrico County, VA court records in 1663 when he was fined for nonpayment of Church Tithes. (The spelling of NUNNALLY as used herein is the one most used by the family in Virginia.)

Dear Mary:

Your letter of the 29th of January arrived today. It encouraged me to learn that others were indeed doing serious research on the Nunley/Nunnely/Nunnally line. I'm just a beginner, but I have found already that many of the name could ~~xxxx~~ hardly care less about learning more of their family history. I can't be too hard on them since I was very much of that attitude for many years.

I know nothing of George except that he is listed as Polly's husband in Polly's death record as it appears in the records of Tazewll County, VA. All I know of Polly is obtained from this same record.

I am enclosing an abstract of John James Nunley's death certificate. Notice that it gives his birth county as Augusta, and his birth date as 12 October 1846. His Tazewell County, VA. marriage record gives his year of birth as 1848 and the county of birth as Tazewell. If the death certificate is correct the birthdates of the other Children born before John James are likely one to two years before the census dates given on the enclosed family sheet. Too, there are two females not shown on the family sheet for Allen and Mary. They are ennumerated in the 1840 census record for Nottoway County, VA., but they do not appear in the census of 1850 for Tazewell County, VA. I presume that they have died or are married. Allen Nunley/Nunnelly is not listed in the census index of Tazewell County, VA. for 1850 but he and his family were there and are enumerated. He is in the Western District page 256 line 30. Allen bought land in the part of Tazewell County, VA. that later became part of McDowell County, W. VA. in 1853-56. Allen and Mary are believed to have died in the late 1880's in the Big Creek section of McDowell County, W. VA.

Mary, there is another consideration, I'm not positive at this date whether Allen's son George's middle name is William. I may have assumed the "W" stood for William since that was my grandfather's middle name. I'd need to see the 1850 census record to make sure, since that is the only place I could have legitimately gotten it. I realize that such carelessnes makes for much added work. But, I'm learning. Berry had a grandson named George Washington. Could that have been the name of "Old" George and George W.? Please use George W. until we know for sure.

The only Nunley families that I have found with younger Children named George were: John Nunnelly of Scott County, KY. in the census of 1850, and Samuel Nunly of Sussex County, VA. in the census of 1870. Samuel's other children have names very similar to the names of the children of George W. Nunley's children and grand children.

A possible clue! Berry is listed as Sillyberry in the enumeration for the 1850 Tazewell County census. I suspect that his real name was Littleberry although in his adult years he went by the name of Berry. I have been unable to obtain a copy of his death certificate. Ezra Nunley of Tazewell County, Va., a living grandson is positive that he died in 1925. McDowell county nor the state of West Virginia have a ~~no~~ record. I find a Littleberry Nunnelley in the 1810 and 1820 censuses for Prince Edward County, VA. Could this Littleberry have been a brother to the Older George?

Mary, are you and your friend working on the entire Nunnally/Nunley/Nunnely line? Do you aim to publish your findings? If so, when? Are you familiar with the work of the late Major P. Nunnally of Pine Bluff, Arkansas? I have written some of the descendants of Branch Nunley who settled in Smith County, Tenn. around 1807 but, as yet, they have not responded.

I am enclosing the census data for the John and Samuel Nunley families that I mentioned earlier. Maybe by working together we can solve at least some of the Nunnely/Nunley Riddle. By the way, are you aware of the Nunnery branch of the Nunnally family? I have a copy of Richard Nunnelly's will and it is entitled Richard Nunnery's will.

Sincerely,

Ralph

22 December 1989: NUNLEY notes by RaLPH Jackson Nunley

Based on family oral history, Scott and Tazewell Counties, Virginia and McDowell County, West Virginia records, I have traced my grandfather's family line back to Southside, Virginia. My grandfather was JAMES WILLIAM NUNLEY, son of GEORGE W. NUNLEY who was the eldest son of ALLEN NUNLEY and MARY GROSE. According to the marriage records of Tazewell County, Virginia, Allen and Mary had children born in Lunenburg and Charlotte Counties, Virginia. Allen and his family are enumerated in the 1840 federal census of Nottoway County, Virginia. An older female, believed to be Allen's mother, is listed with the family in 1840.

Allen, Mary, and the older female, are to be found in the 1850 census for Tazewell County, Virginia. Two females that were in the 1840 Nottoway census are not included in the 1850 Tazewell County census. Allen , Mary and certain of the children are listed in the 1860 census of McDowell County, Virginia. McDowell County became part of West Virginia in 1862. Allen and Mary are also listed in McDowell County for 1870 and 1880. In the middle 1880's Allen and Mary deeded certain land to BERRY (LITTLEBERRY ) Nunley, a son, with the stipulation that he was to care for them. Around 1888 Mary and Berry sign a deed for the sale of certain land, this leads to the conclusion that Allen has died. Allen is believed to have died around 1887.

George W. Nunley, according to Tazewell County, Virginia marriage records, was born in Lunenburg County, Virginia; so too was his Sister, Mary Frances, who married Martemus Graham in March of 1857. George W. Nunley married Sarah Ann Nuckles in June of 1857. George W. Nunley is buried in Lawson Memorial Cemetery at Snowflake, Virginia. Snowflake is located approximately 6 miles east of Gate City, Virginia on the road toward Nicklesville. His tombstone gives his date of birth as 26 January 1832. This date, along with the children's ages as given in the 1840 Nottoway Census, leads me to conclude that it is likely that Allen Nunley and Mary Grose married around 1830. Place of marriage is unknown at this time. A history of Prince Edward County, Virginia lists ALLEN, PETER, ABSOLOM, NANCY and ELIZABETH NUNNELLY as charter members of Sharon Baptist Church in the year 1827. With the exception of two marriage records in Chesterfield County, Virginia, one for an Allen J. Nunnally in 1837 and another for Allen Nunnally in 1844,the Allen Nunnelly of Prince Edward County, Virginia is the only Allen Nunnelly I've found for this time period. According to the censuses Allen and Mary were both born around 1810. I conclude that there is a possibility that the Prince Edward County Allen Nunnelly is my line.

The Prince Edward County, Virginia census for 1830 lists the following: PETER NUNNELLY, age 80-90, WILLIAM B. NUNNELLY, age 60-70, ABSOLOM NUNNELLY, age 50-60, EPHRAIM NUNNELLY,age 50-60, LITTLEBERRY NUNNELLY, age 40-50, CREED T. NUNNELLY, age 30-40, WOODSON NUNNELLY,age 30-40. The LDS IGI lists an Absolom Nunnelly born around 1755. There are two Absolom Nunnellys in the 1820 VA. census; one in Halifax County, VA; and one in Prince Edward County, VA. There

is only one Absolom Nunnelly in Virginia by 1830. There is a possibility that the Absolom of Halifax County, VA is Peter's son and that the Absolom Nunnelly of Prince Edward County, VA is a grandson. Further, it is possible that the Absolom born 1770-80 is Allen's father. Now for the catch in this idea. Allen's mother, POLLY, died in Tazewell County, VA, in August 1856 and he gives her husband's name as GEORGE. Polly's birthplace is given as North Carolina. Could it be that one of Absolom's names was GEORGE?

Tazewell County, Virginia death records show that Polly Nunley, wife of George Nunley, died 7 August 1856 at age 80 years. Her birthplace is given as North Carolina; her occupation, merchant. I have been unable to find further information about either George or Polly. Hopefully some one reading this can help me.

Allen Nunley, also spelled Nunnally/Nunnelly, a son of George and Polly, was born, according to census information, circa 1810. This is also the approximate birthdate for Mary Grose/Groce. I found them first in the 1840 census of Nottoway County, Virginia. At this time they list two females under ten but over five years of age, one son over five under ten. There were two females under five, and one son under five years of age. A female whose age is given as between 50 and 60 years of age is living with them. I believe this older female to be Allen's mother, Polly.

Allen Nunley is not shown in the census index of the 1850 Virginia Federal Census for Tazewell County. He is there none-the-less! Seven of the children are named in the federal census of that year for Tazewell County. The two older females listed as children in the census of Nottoway County for 1840 have, apparently, married or died. The children named in the census of 1850 are: George W., Mary Frances, William F., Sarah Jane, Littleberry, Daniel W., John J.

McDowell County, Virginia was formed from Tazewell County in 1858. The Federal census of 1860 for McDowell County listed the Allen Nunley family as family number 221. Allen's and Mary's age is given as 48. Allen's occupation is given as farmer. The children and their ages as given are; Littleberry 15 yrs., Daniel 12 yrs., Sarah 18 yrs., John 10 yrs., Catherine 7 yrs., and Margaret 3 yrs.

Will Nunley and wife, Roccennas, and Margaret Groce/Grose are listed as family number 222. Roccennass' age is given as 16 yrs and Margaret Groce is 6 years of age. Martemus Graham and wife, Mary, with children Sarah 3 yrs., and Samuel 1 yr. are listed as family 223. Mary Frances Nunley and Martemus Graham married in March 1857.

The 1860 federal census for Scott County, Virginia gives George W. Nunley, his wife Sarah Ann and son James W. 1 yr. Residence is Snowflake.

NUNLEY notes by Ralph J. Nunley cont'd

Beginning with George W. Nunley I will list what I know of Allen Nunley's children, their wives and children.

GEORGE W. NUNLEY married Sarah Ann Nuckles, daughter of Elijah Nuckles and Polly Carter, 3 June 1857 in Tazewell County, Virginia. James William D. Nunley, a son and the eldest child, was born in Tazewell County 22 January 1859. George Nunley and Elijah Nuckles and their families are to be found in Scott County, Virginia in the federal census of 1860. Elijah and Polly are back in Tazewell County, Virginia by 1870 census time. George Nunley and SARAH ~~Polly~~ remained in Scott County. They bought land and lived their remaining days there. They are buried in Lawson Memorial Cemetery at Snowflake. The cemetery is in sight of their homeplace. Their children were:

JAMES WILLIAM D. NUNLEY born 22 January 1859: married first, Gincey Elizabeth Wells 26 April 1877 in Scott County, VA. they had eight children. This marriage ended in divorce in 1907. 2nd Marriage was to Amanda Lou (Collier) Nunley, the former wife of his brother Robert Lee Nunley. in 1908 in McDowell County, West Virginia. This union produced no children.

JOHN ELBERT NUNLEY born 27 August 1862 in Scott County, VA, married A. Annah Freeman 18 October 1885 in Scott County, Virginia. There were six children. John died in 1906, the same year as his father, George W. Nunley.

GEORGE RILEY NUNLEY born circa 1864-66, never married and is believed to have died in the 1920's.

ROBERT LEE NUNLEY born 27 October 1867 in Scott County, married first: Amanda Lou Collier in Wise County, Virginia 18 August 1887; children, two boys and a girl. 2nd marriage to Della Ray. No children. Robert "Bob" died 21 Oct 1951.

MARY JANE NUNLEY born 5 September 1869, married John Baxter Qualls 20 February 1890 in Wise County, Virginia. Died 1946 and is buried East Stone Gap Cemetery. Was known as Molly.

EDMIMA ALMIRA born 1871 married Joe Elkins 21 November 1891 in Wise County. This marriage ended in divorce. I know of no children. I've been told that she married a second time, person unknown.

ELIZABETH B. born 1872 July 25 married Hiram Wells, date and county unknown. Died 1948 and is buried East Stone Gap Cemetery by her husband and son and her daughter is buried nearby.

NUNLEY notes by Ralph Jackson Nunley cont'd

DORA MAE born circa 1875 married Chatt Phipps, his initials were H. J. 1896.

GHARNETTE (GARNIE) born 1879 in Scott County, Virginia. No known marriages. Is said to have run a "speakeasy" in Applachia, Virginia during prohibition. She was somewhat colorful. Is belived to have had a son who went by the name of BUCK NUNLEY. Buck was reared by a Ramey family. I have been told that Buck was killed by his wife.

ELLA MAE born 1882 married first, Scott Cress 1899 had at least one son, J. D., at time of 1900 federal census and she is listed in the household of her brother Charles "Dock" Nunley as Ella Mae Smith. I've been told that she had three children by Smith and that some were raised in an orphanage.

CHARLES DROKE/DROAK NUNLEY born 1885 married Ellen Thompson 29 September 1904. Lived on Clinch Mountain near Snowflake, in Scott County, Virginia all his life. He is believed to have died in the 1950's.

A few more comments before leaving these notes about George W. Nunley; George fought for the South during the Civil War. He died in 1906 and Polly drew a Virginia State pension after his death.

Remember that Allen and Mary Nunley had two daughters enumerated in the 1840 federal census that are not listed with the family in 1850 so I continue with the known members of the family.

MARY FRANCES NUNLEY born 1836, married 5 March 1857 to Martemus Graham. This family is in the 1860 federal census of McDowell County, Virginia. A daughter, Sarah is 3 yrs., and a son, Samuel, is 1 yr.

WILLIAM F. NUNLEY born 1838, married circa 1859 to Lucinda Roccennas Stephenson. Known to have had at least four sons. Allen and George W. died as children, William Earland and Oscar James married and lived in the Maiden Springs area. William, Roccennas, and Margaret Groce/Grose, age 6 years are listed as a family and are living near Allen Nunley and family in the 1860 census of McDowell County, Virginia.

SARAH JANE NUNLEY born 1837. No other information at this date.

LITTLEBERRY "BERRY" born 1844 in Charlotte County, Virginia. married Mary E. Moran 5 March 1871 in Wise County, VA. Ezra Nunley, a grandson, remembers that Littleberry died in 1925. He is buried in the Nunley Cemetery on the Middle Fork of Big Creek. Mary apparently died some years before Berry and he did not marry again.

DANIEL W. NUNLEY born 1846. I believe that he was named after DANIEL WITT who pastored Sharon Baptist Church located in Prince Edward County, Virginia. An Allen Nunley, Peter Nunnelly, and Absolom Nunnelly are listed as Charter

members, along with Elizabeth Nunnelly, Nancy Nunnelly and others. Sharon Baptist Church was established in 1827.

JOHN JAMES NUNLEY born 1848 according to federal census but death certificate gives year of birth as 1846 in Agusta County, Virginia. His Tazewell County marriage record gives county of birth as Tazewell. He married Matilda Billups 5 June 1873 in Tazewell County, VA. He died December 1924. I believe that he is buried in the cemetery of the Mudfork Christian Church in Tazewell County.

CATHERINE NUNLEY born 1850 in Tazewell County, Virginia, married Henry B. Whitaker 23 March 1871 at Allen's home in McDowell County, West Virginia.

MARGARET E. NUNLEY born 23 August 1856 in Tazewell County, VA.

Littleberry "Berry" and John James Nunley both have grand children living in Tazewell County, Virginia and McDowell County, West Virginia.

BERRY'S known grand children:

EZRA NUNLEY, P.O. BOX 5, HORSEPEN, VA 24619

MRS. FINIE MARRS, SQUIRE, WEST VIRGINIA 24884

MRS. REECE MARRS, SQUIRE, WEST VIRGINIA 24884

JOHN JAMES' has two grandsons and, I believe, five granddaughters. I have only one of their addresses.

Mrs. Richard D. Nunnelly
1550 South Dewey
Bartlesville, OK 74003

Dear Mary,

I received your letter of the 8th with deep appreciation, and I am glad to inform you that I have just recently learned where and when ALLEN NUNLEY/NUNNELLY AND MARY GROSS/GROSE/GROCE were married. They were married in Prince Edward County, Virginia in May, 1831. So George W. Nunley, my great-grandfather, is most likely their eldest child. George W. Nunley's tombstone gives his birthdate as 26 January 1832. This is the George W. Nunnelly's marriage to Sarah Nuckles 3 June 1857 that is recorded in Tazewell County, VA. Mary Frances Nunnelly who married Martemus Graham 5 March 1857 is one of George W. Nunnelly's sisters.

Mary F. and (M?) Artemas Graham, with children, Sarah 3, Samuel 1, are listed as living near Allen, her father, in the 1860 Federal census of McDowell County, WVA. So,too, is Allen's son William and his wife, Rocceman ( Roccenas?). George W. Nunley, his wife Sarah and their son JAMES WILLIAM, my grandfather, are in the 1860 federal census for Scott County, VA. George W. Nunley, fought for the Confederacy and his wife Sarah drew a Virginia PENSION after his death in 1906. I have to wait for the pension record until sometime this Spring due to the records being mimeographed. John Nunnelly who married Permilla Mitchell appears on the Tazewell tax list for that year but I have been unable to find further trace of him. I wonder whether he went on into Kentucky--I saw something while researching the Scott County, Kentucky courthouse records that caused me to wonder--, and I've also wondered whether there was a connection with "my" ALLEN. I now suspect that Allen Nunley and his wife Mary came to Tazewell with or because of her family, Groce/Gross/Grose. Several of that line or name are in Tazewell County, VA and McDowell County, W VA in the censuses of 1850 and 1860. Margaret Groce is listed in the household of William, a son of ALLEN and Mary, in the 1860 McDowell County, W VA census.

Now for what I know of George and Polly, the parents of ALLEN Nunnelly. I need to tell you here that our name spelling change began with Allen. He signed his name, Allen Nunnelly, on the marriage bond of 1831 in Prince Edward County, VA but appears in the 1860 census of McDowell County, West Virginia as NUNLEY and all of his descesdents I have knowledge of use the NUNLEY spelling. Polly died in August 1856 in Tazewell County, VA. The death record gives her age as 80, place of birth North Carolina, her husband as George, her occupation, merchant and the informant for the record as ALLEN, a son.

I am sending you copies of a working typescript of my family line typed prior to receiving Allen and Mary's marriage record. Actually it is the bond record and does not give the parents of either.

Mary, I hope that this letter finds you in improved health.

Sincerely,
Ralph

Please see back!

I stopped before I remembered the McComb County, Mi. Nunnelly's. They were first of interest to me because of the name Samuel. That is a Nunnelly name in Southside Va. (Sussex Co.) I thought there might be a connection. When I learned this family were almost all born in England that was of interest because it is the first direct tie with England that I have found for any Nunley/Nunnelly/Nunnally/Nunnery. Do you know of any?

Shortal's study refers to the two Nunn's who came to America ca 1640. But I have found where at least 3 NUNNE/NUNE came to Maryland circa that time. If I had to choose between NUNN and NUNNE I'd go with NUNNE as possible progenitors. What have you found anything more?

Ralph.

P.S. you can tell from my data that I am a tyro at genealogy but I think that I am learning.

Dear Ralph,

Thank you for the Christmas card and wish you and yours a happy 1990 and much luck in your researching.

Each time I have heard from you, I go back to my Nunneley records and look for something I might have missed. I have had the flu for several weeks and very confined, so this again allowed me some "looking over" the records. I am at a loss. I have so much on the Nunneley/Nunley, etc., in Virginia and just cannot seem to see anything about your family. We know that they were there, now why can't we find them in early records?

The only marriage records I have for Tazewell Co., VA are the following:

John Nunneley to Permilla Mitchell / 20 Jan 1820
Mary F. Nunnelly and M. Graham / 5 Feb 1857
George W. Nunnelly and Sarah Ann Nuckles / 3 June 1857

If you have additional, I would be happy to have the records.

I don't think I have asked before, but what is your proof that George Nunley is the father of Allen Nunley? Since I have not found a George in any records, maybe your proof of his being the father of Allen will lead me to something.

Also, do you have either George or his wife, Polly, on census records? Allen was born in 1810, so should have been with his parents until at least an 1830 census. Even if George died after Allen's birth, he could show up with a Polly or Mary Nunley. Has this happened?

I am sorry I cannot find anything. Maybe some of the questions I have asked in this letter will help. I did ask my friend who has our Nunneley records on computer about a George. She, too, has not been able to guess who he can be and finds no records relating to a George Nunley that could possibly be a father of Allen.

Look at your records again and see if there is anything that my help me.

Hope to hear from you soon.

Sincerely,

Mary Nunneley

I was sorry to learn of your father's death. I have some notion of the void that is left as a result. my mother died in Aug. 1980 and my Dad in February 1982. I sincerely hope that time has seen a lessening of the pain of loss.

Sincerely,
Ralph

Dear Mrs. Nunneley,

This is to express greetings for this holiday season and for health and happiness during the coming year for you and yours.

I'm still chipping away at my family tree. I found an Allen Nunnally along with Peter, Absalom, Nancy and Elizabeth as charter members of Sharon Baptist Church in Prince Edward Co., Va in 1827.

Too, I was excited to find a Samuel Nunnelly in 1850 Census of Michigan. Samuel Came to Michigan Circa 1847 and he, his wife, and all but one of his children were born in England. Now to find where in England. I am aware that M. P. Nunnally of Pine Bluff, Arkansas believed that there was more than one Nunnally immigrant. He thought some came from Ireland. But, this is the first evidence I have found and so late relative to our Richard. This may give added credence to our English connection.

I also have some marriage data for the Nunleys of McDowell Co., W.VA. + Tazewell Co., Va. Are you interested in copies? They are indexes I copied at the court houses. Nellie, my wife, and I attended a Nunley Reunion in Tazewell Co., Va. this summer. My Cousins!

Hoping to hear from you,

Ralph J. Nunley

Dear Mrs. Nunneley:

Mr. J. V. Woehler gave me your name and address and said that you were researching the Nunneley family line. About a year and a half ago I became interested in researching my Nunley line. I have learned much and have been able to go back to 1810 to my great-great-grandfather Allen Nunnelly/Nunnally/Nunley. His father was George and his mother's name was Polly. Polly died in 1856 in Tazewell County, Virginia. I'm looking for information about George.

I have copies of two Nunnally/Nunley studies. The one of the Nunnallys is by Joseph Shortal. This study deals mostly with the Nunnallys of Georgia and Texas. It traces the Nunnally line back to Richard Nunnelly of Virginia. Richard goes back to the 1600's. The second Richard leaves a will in the 1700's.

The Nunley study deals primarily with the Nunleys of Warren and Grundy Counties, Tennessee. These Nunleys came to Tennessee around 1804.

Allen Nunley is Allen Nunnally in the Federal Census for 1840. At that time he is in Nottoway County, Virginia. This brief summary of my data will give you an idea of where I am in my search. I stand ready to share any information I have. In some cases that involve much copying, there will be a small charge. Maybe we can exchange information.

Sincerely,

Ralph J Nunley

Mr. Ralph Jackson Nunley
Route 3, Box 9
Athens, TN 37303

Dear Mr. Nunley:

I have received your letter of 23 Jan 1989, requesting information concerning your ancestor, George Nunley. I have spent the last two days searching my Nunneley material and am at a loss to identify this person. I do find Allen in Nottoway in 1840 as you note, but find no marriage location for him or George. Perhaps, if you fill out the enclosed family group sheets listing siblings for Allen and any information for George I can be successful in assisting your search.

Our Nunneleys were in Amelia until the formation of Nottaway in 1788/89. This division placed them in the newly formed county of Nottoway.

A friend (formerly of Bartlesville, now of Windsor, CT) who is a Nunneley researcher and I have spent much time reading court records from various VA counties for Nunneley information. She has been entering all that data on her IBM computer. I am sending her a copy of your letter and ancestor chart in hopes she can pull up some information. As soon as I receive your family groups sheets, I will forward copies of those to her. Through our combined research efforts, we have been able to correct some of Joe Shortal's Nunnally Genealogy. As we found new or correct material, we always informed him, but he was never able to issue a new manuscript. It now is in the hands of so many genealogists with so many errors. It certainly is a good basis for a beginning, but has many errors and omissions. I only wish his health would have allowed him to reprint a new copy.

Please note on page six of Shortal's Nunnally Genealogy:
4.4 Joseph Nunnally, Jr., 1727-1777, married Frances.
  5.4 John m Mary Morris
  5.5 Obediah m Elizabeth Baldwin, dau of Wm. and Elizabeth Baldwin
  5.6 William m ?

I feel sure that this Joseph and Frances also had additional children, including:

Anderson Nunneley m Martha Baldwin, dau of Wm. and Elizabeth Baldwin to NC where Anderson served in the Revolution War to Rutherford Co., TN by 1810, to Hickman Co., TN where he died before 1830.

By 1764, Joseph and Frances were in Lunenburg (deed). In 1767, Joseph sold this land (it now being in Mecklenburg Co.). Other names in those deeds or tithes of the area were, Isham, probably a son of Joseph and Zachry. Was George also a son??

Returning your envelope, and will look forward to the family sheets.

Sincerely,

Mary

Dear Mrs. Nunneley:

Mr. J. V. Woehler gave me your name and address and said that you were researching the Nunneley family line. About a year and a half ago I became interested in researching my Nunley line. I have learned much and have been able to go back to 1810 to my great-great-grandfather Allen Nunnelly/Nunnally/Nunley. His father was George and his mother's name was Polly. Polly died in 1856 in Tazewell County, Virginia. I'm looking for information about George.

I have copies of two Nunnally/Nunley studies. The one of the Nunnallys is by Joseph Shortal. This study deals mostly with the Nunnallys of Georgia and Texas. It traces the Nunnally line back to Richard Nunnelly of Virginia. Richard goes back to the 1600's. The second Richard leaves a will in the 1700's.

The Nunley study deals primarily with the Nunleys of Warren and Grundy Counties, Tennessee. These Nunleys came to Tennessee around 1804.

Allen Nunley is Allen Nunnally in the Federal Census for 1840. At tha time he is in Nottoway County, Virginia. This brief summary of my data will give you an idea of where I am in my search. I stand ready to share any information I have. In some cases that involve much copying, there will be a small charge. Maybe we can exchange information.

Sincerely,
Ralph J Nunley

## SOME LIVINGSTON HISTORY

GGM has been furnished with a copy of an old letter written by a 95-year old man in 1898 giving information to his niece about his father's and grandfather's families. The letter was written by Hon. Alfred Livingston of Newton Co. Ga. He was the father of Hon. Leonidas F. Livingston who served twenty years in Congress. The elder Livingston lived three years after this letter was written. The letter:

Kings,Ga. March 6, 1898.

Mrs. Laura Frazer,
Union Springs, Ala.

My dear Niece:

I received your letter from my son, L. F. Livingston the other day, enclosing one from you to him, wanting to know the history of our family. L.F.,sent your letter to me to answer.

My father, Adam Livingston,came to this country from the north of Ireland with a wife and one child before the Revolutionary War. He went into the war shortly after he came to this country, the second year, I believe; he went from Virginia. He was at the battle of Kings Mountain. As soon as peace was declared he and his brother moved to Greene County, Ga. His wife was killed by the Indians seven miles east of Greensboro. The Oconee River was the dividing line between the whites and the Indians at the time. He had five children by his first wife: Robert, Elizabeth, William, John and Adam. Robert settled in Kentucky at the first settling of that state; Elizabeth settled in Carolina, Adam in Alabama, John in Ga.

After the death of my father's wife he married my mother; she had six children: Thomas, Sarah, Mary, Aaron, Jasper and Alfred. After the death of my mother my father started to move to Kentucky but died on the road in Tennessee. Your father was with his father when he died. William came from Charleston S.C., to see him. Robert had come to meet him. John and William followed on and saw him buried. The family went on to Robert's and made one crop; your father returned immediately. The family made one crop and came back to Georgia. Sarah married in Kentucky a man by the name of Ira Nunn, and raised 13 children to be grown; only four living now. Aaron died at B--- L--- (torn); Jasper is dead, Aaron's wife is dead.

I am living in Newton County, Ga. I was born in 1803, the 24th day of October. You will see that I am in my 95th year. My health is good and I am on my farm that I settled in 1828. L.F.,was born here on the 5th day of April, 1832. I am able to attend to my own business.

I have been married twice. My first marriage was the 1st day of March, 1827; she lived 11 years and a few months. My second wife if she had lived two days and two months longer we would have been married 50 years. I have four children, Leonidas and Sarah by my first wife, and Mary and Louisiana by my second wife.

I have been in the Presbyterian Church 70 years. I expect to reach Heaven through the merits of Christ; He is the end of the lane for every one. I have two grandchildren with me, a son and a daughter, their father and mother died and I took them. I do not see how I could do without them.

I will close, well wishes; may we meet in another world with Christ, is the prayer of

Your Uncle
A. LIVINGSTON

P.S: You will have some difficulty in reading this but the infirmities of old age are visible.

…… ……

Legal Advertising - Old Ga. Newspapers

TELFAIR COUNTY: William Harris, Abb L. Hatton, Ziba Fletcher and C. McKinnon, Justices of the Inferior Court, advertise sale of town lots to take place "at the site of the public buildings for said county," 1st Monday in Sept., next, and at the same time will let the contract for building acourt-house. (Issue of July 19, 1815). Editor's note: The site thus referred was soon after named Jacksonville and it remained the county-site until the 1870s, and is still a town though small, on the north side ofthe Ocmulgee River.

BALDWIN COUNTY: Edmund B. Jenkins applies for administration on estate of Sarah Washburn, Aug. 9, 1815

BURKE COUNTY: Sarah Lester, Admx. of Nixon Lester, advertises for sale on Sept.20th,1815, a negro girl "Venus". Adv.dated July 5, 1815.

WASHINGTON COUNTY: William Rutherford and Sarah Barnett apply for administration of Robert Barnett's estate, July 19, 1815.

TWIGGS COUNTY: Grand Jurors serving May Term, 1815, of Superior Court: Lovett B. Smith, foreman; William Edwards, Robert Johnson, Gabriel Parker, Jonathan Bell, Edward Love, Harmon Perryman, David Barclay, Timothy Matthews, Jonathan Peacock, Drury Williams; John Matthews, William Barnes, Edmund Nunn, James Buckalew, Arthur Fort Jr., Daniel Lewis, Jesse Fulghum, Thomas Chappell, John Young, John Lawson, Thomas Dennard. (Issue of July 26, 1815). In their presentments they report they have indicted James Matthews and Nancy Grantham for Adultery and Fornication, also William Johnson and Millie Pearson, for same offense.

Editor's note: Mention is made of the two indictments because they may be the key to who the wives were of these men. In numerous instances in various counties during his researches over the years the Editor has found instances of man and woman being indicted and then getting married and the indictment would then be noll-prossed; and in a few instances the Editor has found instances where couples had lived together openly as man and wife and had children and then they procured a marriage license and were intermarried without being pressured by an indictment. One such case of the latter category was in Pulaski County where the man and woman were married after the birth of their fifth child; their old family Bible which the writer saw, showed the names of their twelve children and their births but gave no date of their marriage. Part explanation for these situations is found in the conditions as they prevailed at the time, remoteness from county-site with often no means of travel 20 to 40 miles to the courthouse, together with the fact that they held themselves out as man and wife in good faith and were so recognized by others, thus feeling they were married in the sight of God if not legally. Too it must be remembered it had not been many years since no marriage license was required at all in this state. The Twiggs County records having been burned it was deemed best to make mention of the indictments not for any salacious purpose or to embarrass descendants (if any) but rather as a possible key as above stated.

ALLEN J. DAVIS of Jones County in a notice dated Aug.2,1815 (in issue of Aug.9, 1815) says his wife Elizabeth has "eloped" from his bed and board "without the slightest provocation"; and he will not be responsible for her debts.

RICHARD PAINTER (no county of residence shown) in his notice date July 30,1815 (in issue of Aug.16,1815) says his wife Amy has left his bed and boa without cause,and he will not be responsible (etc.).

JESSE JAMES of Jones County in his notice dated July 22,1815 (in same issue) says his wife Elizabeth had left his bed and board without cause, and he will not be responsible for her contracts and debts, etc.

MORGAN COUNTY: Grand Jurors serving at Aug. Term, 1815, of Superior Court: Isaac Hughes, foreman; John McMurray, James C.
